

Thursday Women's Club Sign Up Procedure

The Golf Genius sign up system will be used for Thursday Women's Club games. Invitations will be sent out via email at 7:00am on the Tuesday before each round. Sign-ups will close on Wednesdays at 2:00pm.

To sign up, hit the "playing" link at the bottom of the email. This will load a confirmation page. This is where you can request a certain tee time or playing partner (for rounds in which you get to choose a partner) by "sending a message to league manager". These messages will come to Ian Basile via email. You will have the ability to cancel your registration up until the 2:00pm deadline on Wednesday. Any cancellations after this time will need to go through the Golf Shop.

Each weekly invitation will have details about the game being played that week. All games are \$5.00 per player unless otherwise stated.

Pairings will be emailed out and posted on the tee times page on the website by 5:00pm on Wednesday evenings. Depending on the time of year, Thursday play will begin at 10:00, 9:00, or 8:30am. These times can be found on the 2023 AWGA schedule.
