# Frequently Asked Questions

**Q: I have never golfed before, is that alright?**

**A:** Yes! Classes will be mostly new golfers and some with experience.

**Q: Do I need golf clubs?**

**A:** You can bring your own but we will have some for use if needed.

**Q: Do I need to be a member of Arrowhead to join?**

**A:** No! Bring your friends!.

**Q: Can I just try one or two classes?**

**A:** Unfortunately, no. That won't be enough time to see improvement.

**Q: What's the difference between this and a golf clinic?**

**A:** Your typical clinic might have 15-30 people with 1-2 teachers. We max classes at 8 people for more individual attention. We also have a plan to help you improve long term! Combine that with getting you on the golf course twice a month because that's where the real fun begins!

**Q: What if we miss a class?**

**A:** We have plenty of makeup options on Saturdays! 3 makeup sessions per semester.

**Q: Will we be playing a full round of golf when they play?**

**A:** Not initially. We start off our golfers from a very small golf course, learning the skill sets needed to shoot our target scores, and once we do that, we make the course incrementally longer.

**Q: What is total cost?**

**A:** It is \$360 for your first semester, \$320 for further semesters. Your 8 weeks in Operation 36 add up to about 15 hours of golf. At the same price for private coaching, you would get 4 hours. Fall Semester is \$160.

**Q: When do classes start and end?**

**A:** We have 4 semesters running from April-October so you can pick when it works best for you!
