Frequently Asked Questions

Q: My junior has never golfed before, is that alright?

A: Yes! Classes will be mostly new golfers and some with experience.

Q: Do I need golf clubs?

A: You can bring your own but we will have some for use if needed.

Q: Do I need to be a member of Arrowhead to join?

A: No! Bring your friends.

Q: Can my kids just try one or two classes?

A: Unfortunately, no.

Q: What's the difference between this and a 1-day junior camp?

A: 1-day usually isn't enough time for them to decide if they'll enjoy golf. The more time they spend with me, the more they will like this game.

Q: What if we miss a class?

A: We have plenty of makeup options on Saturdays! 2 makeup sessions per semester.

Q: Will they be playing a full round of golf on the Saturday events?

A: No. We will play a shortened version of the course in a team style format with the juniors in your group. Low pressure, high fun! Sometimes the parents are involved also to play with the juniors. We will not be focused on learning tournament golf here, we are focused on having fun on the course with the family.

Example of a 9-Hole Event:

You arrive and there is a putt-putt course on the putting green with a hole-in-one challenge for the kids. As you play, each of the 9 holes presents a different challenge to the kids. The first hole may be a group scramble. The second hole may be putter only challenge.. Another hole may have a long drive contest. Another hole may have a coach/pro hitting a shot with the kids. Another hole may ask the parent to join and participate with your child that hole. When you finish, Coach Ross will be there waiting with ice cream.
